

2011-2012 Verification Worksheet

FEDERAL STUDENT AID PROGRAMS

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of your (and your spouse's, if you are married) 2010 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR).

Complete this verification form IN BLACK INK and submit it to your financial aid administrator as soon as possible, so that your financial aid won't be delayed.
