

Grossmont College: Math Academy

STUDENT SUCCESS AGREEMENT

Student Name _____ Grossmont ID _____
Phone Number _____ Email _____
Semester/Year: Fall 2009

The Grossmont College Mathematics Department has approved your enrollment in the Math Academy. It is the department's policy that you must participate in a Student Success Agreement during the Fall 2009 semester. As part of the Math Academy, you will participate in a number of appointments, be introduced to multiple tools to use as resources, and learn how to become academically successful here at Grossmont College.

Listed below are the requirements of the Student Success Agreement:

1. I will meet with my Math instructor _____, three (3) times during the semester to discuss my academic progress and class grades. Additional meetings may be scheduled with my instructor.
2. I will meet with a math tutor or attend a tutor led study group at the Math Study Center at least once a week for 1 hour.
3. I will NOT register for more than 12 semester units during Fall 2009. If I have a job outside of school, I will work 20 hours or less. I understand that by limiting the number of units I take and the number of hours I work during the semester, I will increase my chances of being successful in math.
4. I will attend all classes and arrive on time.
5. I will maintain a positive attitude.

I understand that learning is my responsibility and that the Grossmont College Math Academy is offering me resources to enhance my educational experience. I realize that if I fail to attend classes, learning assistance appointments, and study sessions, I may weaken my opportunities for academic growth and support. Therefore, I am willing to commit my time and dedicate my effort towards my academic success, and I agree to participate in these support services.

I understand that signing this agreement commits me to a certain level of performance and that, if I keep to the agreement's terms, I will receive the use of required math textbooks and a calculator, free of charge during the Fall 2009 semester.
